

## WESTENDORF TA-26 PLUS on KUBOTA M108S

### WESTENDORF TA-26 SERIES

The [TA-26 series loaders](#) are available and **IN STOCK NOW**. Simply order online at [www.loaders.com](http://www.loaders.com) or call our customer sales & support line at **1-888-237-9168** for **accurate quoting** and **easy ordering**. Our experienced team is able to assist with any questions during the ordering process and provide service after the sale.

The power linkage, slide locks, shoe adjustments, hardened pins, and add-on self-leveling have proven that the TA-26 series is the best all-around loader line for versatility and dependability. Its unique I-beam construction and double-tapered arm design give it superior strength and low profile fit. The TA-26 Plus package includes an updated, modern shape and styling over the entire loader and bucket. It features Snap-Attach™, Hydra-Snap™ one lever multi-unit coupling system, rotational full-range bucket indicator and grease-from-the-end pins. The TA-26<sup>12</sup> model is the same as the TA-26 Plus with the added benefit of an additional lift height to 12' and rotational height indicators.

**Westendorf Loader Fits:** TA-26, TA-26 Plus, and TA-26<sup>12</sup>, TA-28 Plus, TA-29, CC-340\* and FM-540\*

*\*Recommended fits for these tractor models.*

**Tractor Fits:** M96S 4WD and M108S 4WD
